#### **Entry No. 2    2nd**

Beautifully laid out, photos interspersed well. Good variety of articles and information. Great cartoon to end each magazine.

#### **Entry No. 3    HC**

Photos nicely interspersed with the articles. Lovely logo. Background colours sometimes make text less easy to read – especially July's; a bit overpowering.

#### **Entry No. 4    1st**

Good title, beautifully laid out, superb articles!! We like the photo of the author with the article. Interesting, stimulating, worth waiting two months for!

#### **Entry No. 5    VHC**

Varied and interesting content. 'Contacts' and 'Dates for your diary' beautifully set out.

#### **Entry No. 6    3rd**

Plenty of information. Layout would be improved by interspersing photographs with the relevant article rather than all at the end.
